# Our Services

## Clearing & Forwarding

We offer one-stop solutions (clearing and forwarding, logistics, transportation & Commission Agents). Mostly to mid and large-scale clients as follows:

1. Customs clearance of all kinds of cargo, and this include both local and transit
2. Clearance in Sri Lanka / delivery to customers
3. Import and export documentation
4. Cargo consolidation
5. Booking and shipping of cargo to and from Local Port
6. Transfer from Local Port of all types of cargo including Out Of Gauge both local and Transit

Our well-trained and competent staff handle clearing and transportation projects highly safely, reliably, professionally knowledgeable.

# Our Services

## Transport & Logistics

Providing logistics and transportation services is our core competency. Our main functional areas are transportation, warehousing, and distribution. We have enough fleet of trucks and equipment that are operated by highly professional persons, who are ready to pick up and deliver the cargo of nearly any dimension and structure.

Ark Freight Solutions is well known for its "safety-first" policy that guarantees the safe handling and delivery of our client's shipments. Our truck brands are specifically chosen to handle the prevailing road infrastructure whereas our experienced drivers have longstanding knowledge of local plus contiguous nations' routes. We have also invested in modern technology which helps increase the efficiency and control of our shipments.

Precisely Ark Freight Solutions offers:

1. Transportation
2. Moving services
3. Processing of abnormal cargo permits
4. Cargo tracking and escorting.

# Our Services

## Technology & Tools

Technology and tools are our most important partners in our efforts to maintain the efficiency and quality of our work. Unlike other ordinary companies, we have invested substantially in tools, and ICT equipment, for purpose of adding value to our clients through the efficiency of communication, operations, goods tracking, etc.

## Continuous Improvement

Aligned with our vision to become the most reliable and cost-efficient and for purposes of adapting to the changing trends of business, we highly embrace the concept of continuous improvement. As evidence, our staff go through regular training designed to improve their soft and ICT skills.

Additionally, we often upgrade the software or hardware of our ICT equipment to adapt to (or comply with) changing trends in the industries we operate.

# Our Mission & Vision

## Our Mission

To add value to our esteemed clients by providing end-to-end freight forwarding along with transportation and logistics solutions. We believe that our success depends on clients' success entirely backed by an exceptional teamwork approach, while constantly striving to leave a client with an everlasting positive customer experience.

## Our Vision

To become the most reliable and cost-efficient company in the South-East Asian Region that serves freight forwarding plus transportation and logistics segments in an exceptionally professional, short-timed, and quality consciousness manner.
